Comments and Observations

Major Violations

No major violations were observed during this inspection.

Minor Violations

K08 - 3 Points - Improperly using time as a public health control procedures & records; 114000

Inspector Observations: TPHC logs for appetizers observed to be not present in facility. Per operator TPHC logs are kept with runner who will be in charge of discarding and stocking food.

[CA] Amend SOPs for PHFs to reflect procedures of logs being kept at a secondary location or keep TPHC logs with PHFs at facility in question.

[COS] Log was able to be provided by food runner. Per log the food was placed out there in the last 30 minutes.

K31 - 2 Points - Consumer self service does not prevent contamination; 114063, 114065

Inspector Observations: Appetizers observe to be kept out on trays at tables for customer self service. Food on display shall be protected from cross-contamination, by the use of an approved sneeze guard that intercept a direct line between the consumer's mouth and the food being displayed. Provide dispensing utensil for each food item offered at consumer self-service counter to prevent cross contamination.

[COS] Operator will move food behind counter and employee will be handing food to customers.

Performance-Based Inspection Questions

All responses to PBI questions were satisfactory.

Overall Comments:

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **9/6/2025**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
