Measured Observations

Item	Location	Measurement	Comments
hot water	3 comp sink	122.00 Fahrenheit	
hot water	front handsink	108.00 Fahrenheit	
tofu	sliding door unit	40.00 Fahrenheit	
fake shrimp	prep unit	38.00 Fahrenheit	

Overall Comments:

A risk factor inspection is an inspection focusing on factors known to directly contribute to causing a foodborne illness. Structural issues and good retail practices were not assessed during this inspection.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **1/25/2021**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
