Overall Comments:

On-site to conduct a second follow-up after routine inspection (dated 3/24/2026) and first follow-up (dated 3/27/2026) inspection.

Confirmed facility has completed the following steps for re-opening:

- 1. Checklist for re-opening has been received from Ganesh.*
- 2. Reports from a licensed pest control company, Banner Pest Control, have been received. Facility received treatment for cockroaches and rodents on 3/25/2026, 3/27/2026, and 3/28/2026. Facility received additional follow-up inspection on 3/30/2026. The latest pest control report states that no live activity was observed during inspection and that sanitation has been improved. Observed numerous monitoring traps set out during inspection.*
- 3. All sanitation and food safety items on worksheet have been verified as completed. Facility has conducted thorough cleaning of kitchen area.*
- 4. All prevention measures on worksheet and on pest control report have been completed, including sealing gaps in the cove base and FRP panel. Observed facility has replaced the shelving, walls, and flooring in the dry storage room. (NOTE: This flooring does not have approved cove basing. The dry storage room is approved for the storage of prepackaged foods only).*
- 5. Confirmed this facility will continue to receive monthly pest control services from Banner Pest Control.*

The facility is hereby authorized to operate by this department. Continue to address remaining violations as cited on the routine inspection report.

FACILITY RE-OPENED / PERMIT REINSTATED

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **4/13/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
