Overall Comments:

Follow-up for facility closed due to vermin infestation.

Pest control service report and checklist for reopening was received and reviewed.

Facility obtained pest control service on 12/23/25 and an additional service on 12/24/25. Service report from 12/24 notes that there no activity found and follow-up services will occur within the next two week.

All areas where droppings and cockroaches were previously observed has been cleaned and sanitized. No live or dead vermin was observed in the facility at time of inspection, and there were no evidence of an active infestation.

Holes and gaps in the facility that were noted during the previous inspection have been patched and sealed.

Facility is okay to reopen.

FACILITY RE-OPENED / PERMIT REINSTATED

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **1/7/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
