Overall Comments:

Follow-up inspection to routine inspection by Dennis Ly resulting in a closure on 9/16/2025 due to vermin activity.

Facility has obtained professional pest control services. Reviewed pest control service reports.

Facility completed the checklist for reopening after a closure due to a vermin infestation.

All contaminated areas have been cleaned and sanitized.

No vermin activity observed at the time of inspection.

Facility is reopened and may resume operation.

Other major violations noted during the routine inspection have been corrected:

K05 - All hand washing sinks fully stock (no handwashing occurring at the time of follow-up).

K14 - facility has chlorine sanitizer. Obtain chlorine sanitizer test strips to measured concentration during warewashing.

FACILITY RE-OPENED / PERMIT REINSTATED

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **10/2/2025**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
