Measured Observations

Item	Location	Measurement	Comments
Hot water	Three compartment sink	130.00 Fahrenheit	
Chlorine	Low temp mechanical dishwasher	50.00 PPM	

Overall Comments:

Note:1.The center rents the kitchen to Trio Community Meals. The center itself does not conduct any food preparation, however, it serves open pastries, coffee, and tea to senior citizens donated by different parties. The products are portioned by Trio employees. The utensils used to store/serve these food products are washed by Trio employees as well.

2. The PIC is told that the food products served for the seniors must be obtained from approved food facilities.

3. Since the center does not conduct any food preparation, the risk category shall be changed to RC01 and the program element is going to be changed to FP09.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **10/22/2025**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
