Overall Comments:

Notes:

- All previous violations have been corrected.

- Facility permit status was updated from exempt to nonexempt within the last permit cycle.

- Facility had relocated the placard from the front window to the kitchen cork board. Per PIC, they had the front window tint redone and forgot to place the placard back.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **4/27/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
