Overall Comments:

This is a follow up inspection.

-On 4/19 facility was closed due to lack of hot water. On 4/20 facility was reopened, hot water measured at 113F. The purpose of this inspection is to ensure an adequate supply of hot water is provided to food facility.

-Hot water measured at 120F at 3-compartment sink

-Drain stoppers obtained and used for warewashing

This is a second follow up inspection. Facility/owner will be billed \$219.00 for this inspection.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **5/17/2022**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
