Water	3-comp sink	124.00 Fahrenheit	

Overall Comments:

NOTE: Facility maintains logs for refrigeration temperatures and reheated foods for service. Reheated foods are held on TPHC and discarded at the end of service. Any leftovers in cold holding are returned to the main kitchen the following morning.

Facility receives food from central main kitchen (Crittenden Elementary @ Middlefield). Food is immediately transported to cold holding or reheated for service. Recommend to maintain receiving temperature logs

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **9/29/2025**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
