Measured Observations

| Item | Location | Measurement | Comments |
|-------|------------------------|-------------------|----------|
| Water | Three Compartment Sink | 120.00 Fahrenheit | |

Overall Comments:

This is the third follow up inspection and shall be charged at the approved hourly rate. A checklist for reopening and a pest control report confirming no pest activity was provided prior to this inspection.

Observations:

No evidence of vermin was observed. Facility has sealed holes, gaps, and crevices.

Facility is okay to reopen.

Note: Per PIC, their plumber came by to repair a leak at their water heater and noted that it may need to be replaced soon. Informed PIC that water heater replacement requires plan check approval with this department. Please visit our website at www.ehinfo.org for information on our plan check process.

FACILITY RE-OPENED / PERMIT REINSTATED

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **4/10/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
