Overall Comments:

Follow-up for facility closed due to cockroach being observed in facility. This is an after hour weekend inspection and facility will be charged \$493.

Facility received pest control treatment again the previous day and it was noted in service report that activity was observed by the cook line and has been treated.

No signs of vermin or vermin activity was observed at time of inspection. All areas has been cleaned and sanitized. All areas of possible vermin harborage has been repaired or eliminated.

Facility is okay to reopen.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **6/26/2022**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
