Overall Comments:

Follow-up inspection to routine inspection conducted on 5/26/2026.

All open foods remain removed from the unapproved deli area.

Continue to work on submitting plans to the plan check department to receive approval to resume use of the area.

Observed the rear door to the facility to have been repaired to eliminate gaps. Water heater temperature has been increased to a minimum of 120 F .

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **6/15/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
