Comments and Observations

Major Violations

Cited On: 10/29/2026
K23 - 8 Points - Observed rodents, insects, birds, or animals; 114259.1, 114259.4, 114259.5

Inspector Observations:
1. Observed Vermin: Documented in the following areas:
- Live nymph activity observed at the dishwasher.

- Found a few old dead cockroaches under the water heater. 15+ dead cockroaches throughout the dining room. A dead cockroach in the walk in cooler. Two oothecas at the dishwasher.

- The fryer has grease accumulation and gaps near the mop sink have not been sealed.
2. Photographs: Taken for documentation purposes.
3. Supervisor Notified: Yes
4. Notification: The person in charge during inspection, Phuc, has been informed that the facility must close immediately.

[CA]: The premises of each food facility must be maintained free of vermin. A facility cannot operate if there is a vermin infestation that leads to contamination of food contact surfaces, packaging, utensils, food equipment, or adulteration of food. The facility is required to cease operations immediately and must remain closed until all corrective actions on the provided checklist are completed.

Requirements Before Reopening:
1. Email the signed and completed Reopening Checklist to the assigned inspector.
2. Submit a copy of the pest control report from a licensed provider.

Minor Violations

N/A

Measured Observations

N/A

Overall Comments:

This is the first follow up inspection following the facility being closed for an active cockroach infestation. A checklist for reopening and a pest control report stating no cockroach activity in the facility were provided prior to this inspection.

Observations:

- Live nymph activity observed at the dishwasher.

- Found a few old dead cockroaches under the water heater. 15+ dead cockroaches throughout the dining room. A dead cockroach in the walk in cooler. Two oothecas at the dishwasher.

- The fryer has grease accumulation and gaps near the mop sink have not been sealed.

Facility shall remain CLOSED.

Contact our office to schedule the next follow up inspection.

OFFICIAL INSPECTION REPORT

Facility	Site Address	Inspection Date

CLOSURE / PERMIT SUSPENSION NOTICE

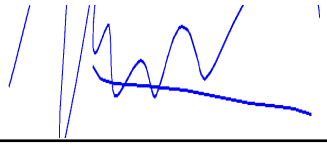

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **11/12/2026**.Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.

This notice is to inform you that as of this date the Environmental Health Permit for the above mentioned food facility is hereby suspended and all operations therewith are ordered to cease. This action is taken in accordance with Section 114409 of the California Health and Safety Code which states 'If any imminent health hazard is found, unless the hazard is immediately corrected, an enforcement officer may temporarily suspend the permit and order the food facility or cottage food operation immediately closed.'

You have the right to make a written request for a hearing within 15 days after receipt of this notice to show just cause why the permit suspension is not warranted. Failure to request such a hearing within the 15-day period shall be deemed a waiver of the right to a hearing. After these violations have been corrected, you must call the Department of Environmental Health for a reinspection to reinstate the permit to operate. Phone #: (408)918-3400.
