Overall Comments:

Note: 1. This is a second follow-up inspection for the routine inspection that was conducted on 07/29/25. The facility was issued for the lack of paper towel on the restrooms and for failing to log time and temperature for food products stored outside the safe temperature zone. During the first follow-up inspection, in addition to lack of time/temperature logs, employee was observed washing dishes without sanitizer. Therefore, the facility was issued a conditional pass on both occasions.

During today's follow-up inspection, both violations were observed to be corrected. Therefore, the facility is issued a green placard.

2. Since this is a second follow-up inspection, the owner shall be billed \$298.00 a second follow-up inspection fee.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **9/18/2025**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
