Overall Comments:

On-site to conduct a second follow-up inspection following facility closure for vermin. Previous inspection dates are 8/31 and 9/1. No evidence of vermin or contamination of food observed at the time of inspection.

Confirmed facility has completed the following steps for re-opening:

- 1. Checklist for re-opening has been received from Gurinder.*
- 2. Reports from a licensed pest control company, EcoGuard Pest Management, have been received. Facility received treatment for cockroaches on 9/1 and 9/2. The most recent report stated no live activity was observed at the time of inspection.*
- 3. All sanitation and food safety items on worksheet have been verified as completed. Verified facility has conducted thorough cleaning of kitchen floors and rearranged equipment.*
- 4. All prevention measures on worksheet and on pest control report have been completed, including sealing gaps under the 3-compartment sink and at the door.*
- 5. Confirmed this facility will continue to receive biweekly pest control services from EcoGuard Pest Management.*

The facility is hereby authorized to operate by this department. Continue to address remaining violations as cited on the routine inspection report.

FACILITY RE-OPENED / PERMIT REINSTATED

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **9/16/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
