Overall Comments:

This is a follow up a complaint of CO0153900. The bakery was closed on 12/08/23 due to sewage overflow.

Sushma Taneja, the owner, stated the followings:

- 1. The overflow was outside in the back of the bakery due to a clogged/leaked pipe. The plumber dugged a trench behind the wall of the register to find/fix the leak.*
- 2. The overflow was repaired yesterday evening.*
- 3. The trench will be filled next Monday.*

Observed no overflow when all faucets at all sinks are turned on at time of inspection today for 5 minutes.

Ok to open for operation.

Note that you will received an invoice for this after hour inspection fee of FP93, \$629.

A re-inspection will be conducted within next week.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **12/23/2023**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
