#### Overall Comments:

*Follow-up inspection for closure due to cockroach activity.*

*The following MAJOR violation has been corrected:*

#### **K23M - Vermin**

- *During time of inspection, no dead or live cockroach activity observed within the facility.*
- *Noted areas with gaps and crevices including around wall mounted shelving, shelving brackets, around stainless steel wall panels, and cove base flooring. Properly seal all cracks, crevices, and gaps to prevent harborage of vermin.*
- *Continue to communicate with pest control to provide service within the facility.*
- *Remove cardboard and unapproved materials from the facility to prevent harborage of vermin.*

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **7/3/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
