Measured Observations

Item	Location	Measurement	Comments
Chicken	Walk in Cooler	38.00 Fahrenheit	
Curry	Prep Cooler	40.00 Fahrenheit	

Overall Comments:

This is the first follow up inspection after the routine inspection where several major violations were observed.

Observations:

K07: All PHFs were observed to be in an appropriate time and temperature relationship.

K09: No cooling foods were observed.

K23: No evidence of vermin activity was observed. PIC provided a new pest control service report. Service report indicates no activity. Provide pest control service reports to district specialist for the next three months.

K27: No open foods were observed in the back storage room. Facility has provided a new NSF wire rack for storage inside the facility.

Continue to correct any and all pending violations.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **3/12/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
