Overall Comments:

This is a site visit due to a Mobile Food Facility Commissary Agreement received by this department.

At time of visit, observed facility has been remodeled. Spoke on the phone with owner, Mohammad Ali and he stated they down-sized the POS counter, replaced the flooring, added one wall, expanded the prep area and obtained new equipment. The new equipment observed was, a RotoQuip Bread machine Oven (under the Type I hood), three induction burners (not under the hood). Observed the ceiling above the prep area is unfinished wood. Flooring is Quarry tile with coved-based. Wall is FRP material. Refrigeration unit was moved from the back of kitchen to the prep area. Owner stated electrical hookup is currently not operational for food truck.

Commissary agreement will be denied at this time.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **2/13/2025**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
