Overall Comments:

This is a charged follow up inspection to the routine inspection conducted on 12/21/2023 and the first follow up inspection conducted on 12/27/2023.

Observed several dead cockroaches. No evidence of live cockroaches. Reviewed pest control reports. PIC will continue to have regular pest control treatments.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **1/17/2024**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
