Overall Comments:

A follow up inspection is being conducted on this date to verify the abatement of the vermin infestation as requested by Yusuf Tosun, the owner.

On this date the following major observation was observed corrected:

K23 - Observed rodents, insects, birds, or animals:

- The re-opening checklist was received completed*
- Pest control services were conducted by Clark Pest control on 3/18/26 and 3/19/26 that indicate pesticides have been applied and abatement of the infestation was noted.*
- No further evidence of vermin observed*
- All affected areas have been cleaned and sanitized*

This facility is hereby authorized to operate by this department. Continue to correct any remaining violations as noted during the routine inspection.

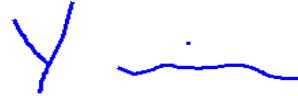

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **4/2/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
