Overall Comments:

A follow-up inspection was conducted to verify violations from routine inspection conducted on 03/07/2025 are in compliance.

K23: No rodent droppings observed in the facility.

K44: Wooden partitions and litter observed in the backyard area. Per operator, those items will be cleaned and removed soon. Back door was observed closed however there is a gap between the doors.

K45: Large hole in the wall in the beverage room observed repaired. Wall tiles near the walk-in cooler observed repaired. Grease accumulation on the floor under the deep fryer observed cleaned.

Continue to work on violations noted on the last inspection report.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **3/27/2025**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
