Overall Comments:

On-site for a fourth follow-up inspection after facility was closed due to evidence of a cockroach infestation.

Prior to the follow-up inspection, the following was provided:

- 1. The signed and completed Reopening Checklist*
- 2. A copy of the pest control report from a licensed provider, Crane, stating that facility has been treated and that all vermin activity has been abated. Pest control were on-site prior to and during the inspection to verify that infestation has been eliminated.*
- 3. Paid invoice for charged follow-up inspection.*

During the follow-up inspection, no evidence of cockroaches was observed.

Pest control technicians from Crane, Alan and Mike, were on-site to confirm that the infestation has been eliminated and all structural deficiencies have been addressed.

Facility may now be reopened.

Continue to work with pest control.

FACILITY RE-OPENED / PERMIT REINSTATED

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **6/29/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
