Overall Comments:

Follow-up for routine inspection conducted on 11/4/24.

All major violations was observed to still be in compliance.

- Floor drain located for use by the three compartment sink, dishwasher, and food prep sink is still clear and observed to be neither clogged or slow draining.

- Potentially hazardous foods that are not in active use are observed stored inside refrigeration units and measured at the proper cold holding temperatures. See measured observations.

No addition follow-up needed for the above violations.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **11/21/2024**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
