Inspector Observations:

Facility has a baguette held ontop of the bakery display without protection from contamination.

[CA] Food on display shall be protected from contamination by the use of packaging, counter, service line, or sneeze guards that intercept a direct line between the consumer's mouth and the food being displayed, containers with tight-fitting securely attached lids, display cases, mechanical dispensers, or other effective means.

[COS] PIC moved the baguette to the back of house for storage.

****Obtain food safety manager certificate within 60 days. All other food employees must have valid food handler cards within 30 days from hire date.***

**** Per PIC, Fariba, they are planning on adding a plug in soup warmer to heat up prepackaged soups for service.***

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **1/23/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
