Overall Comments:

Note: This is a follow-up inspection to the routine inspection that was conducted on 12/5/2025. The store was issued a conditional pass for failing to supply the handwash stations with necessary supplies and for the lack of proper handwash practice. During today's follow-up inspection, the handwash stations have necessary supplies, and employees were observed washing their hand properly. Therefore, the facility is issued a pass placard.

However, the above repeated violations must be corrected immediately as well.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **12/30/2025**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
