Measured Observations

Item	Location	Measurement	Comments
hot water	handwash sink	100.00 Fahrenheit	

Overall Comments:

Charged follow-up inspection; major violations have been corrected (hot water restored at handwash sink and no evidence of cockroaches). No other major violations observed during time of inspection.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **12/21/2023**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
