Overall Comments:

Follow up due to major HACCP and cooling violation.

Upon inspection:

-Pork measured to be 41F. Per label pork was cooked about 5 hours prior.

-Salsas observed in blast chiller at time of inspection. Per timer, salsas had been inside chiller for 45 minutes. Per operator salsas were made within the last hour.

-No items in kitchen walk in observed to be under vacuum sealed bags. Per chef, pork and salsas will be brought into stadium via chaffing dishes, zip lock bags, and quart containers until HACCP is submitted to state.

Major violations from limited inspection observed to have been corrected.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **2/17/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
