Overall Comments:

Onsite for the 8th follow up inspection where the facility was closed for an active cockroach infestation. Two pest control reports and a check list for reopening were provided prior to this inspection.

Major violations have been corrected and found within compliance:

- K23: No rodents, insects, birds, or animals.

- A few dead cockroaches were observed in separate areas. No active infestation was observed as evidenced by lack of live activity, fecal matter, and eggs sacs (ootheca) in the facility. Staff and permit holder cleaned and sanitized the remaining affected areas.

Facility is okay to reopen.

FACILITY RE-OPENED / PERMIT REINSTATED

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **4/2/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
