Overall Comments:

Follow up inspection regarding closure on 08/20/2024 due to vermin (cockroach) activity. Specialist conducted a thorough inspection of the facility and found no vermin activity. Pest control receipt from Pro Active Pest Control provided. Pest control service occurred on 08/24/2024. Per PIC, the facility will be receiving treatments biweekly.

Facility APPROVED to re-open. This is the facility's second follow-up inspection. Facility will be charged the hourly rate of \$298.

Continue to follow pest control service recommendations and monitor for vermin activity. Ensure all cracks, crevices, and gaps under any exterior doors to prevent entry and harborage of vermin.

Both prep coolers by cook line observed in good repair. Violation corrected.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **9/9/2024**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
