Inspector Observations:

Per the PIC, the gas lines that are connected to cooking equipment at the main cook-line discharge unsafe levels of gas into the room (culinary lab kitchen) if the associated equipment pilot lights are not lit daily, OR if the equipment is not all manually turned off after every use.

[CA] Equipment shall be maintained in good repair so that it does not pose a health concern. Fix or replace where necessary.

Facility has stated that they are actively working on a fix for the issue. If any changes to electrical, gas, or plumbing is conducted, approval from the local building and/or fire enforcement agency may be required. Seek approval where applicable prior to making changes.

Facility has been granted a 6 month compliance date to resolve the issue. Resolve by 04/13/2026.

Measured Observations

Item	Location	Measurement	Comments
chlorine sanitizer	mechanical dishwasher	50.00 PPM	

Overall Comments:

On-site for a follow-up inspection after the facility was closed for evidence of a rodent infestation during the routine inspection conducted on 09/24/2025

The following was provided prior to conducting the follow-up inspection:

- 1. The signed and completed Reopening Checklist, emailed to the assigned inspector*
- 2. A copy of the pest control report from a licensed provider, stating that facility has been treated and that all vermin activity has been abated, emailed to the assigned inspector*

No evidence of rodent activity observed.

Mechanical dishwasher has been repaired to output chlorine at 50 ppm.

Lactic acid measured within the acceptable range of 2.11 mL/L to 4.30 mL/L in the three compartment dishwashing sink.

Gap underneath the side door has been sealed.

Lighting inside the walk-in cooler and walk-in freezer has been repaired.

Facility reopened and may now resume normal operations.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **10/27/2025**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
