#### Overall Comments:

**Follow-up inspection for possible vermin activity noted on previous routine inspection.**

**Reviewed latest pest control service report dated 2/6/26 that notes three cockroach activity was observed in the kitchen and has been treated. At time of inspection, one dead cockroach was observed under the dishwasher and operator notes that live activity has been seen under the prep sinks. No live activity was observed by inspector.**

**Facility shall obtain an additional pest control service within the week and a subsequent and charged follow-up inspection will be conducted. Any signs or evidence of an infestation during the inspection may result in enforcement action.**

**\*\*\*Subsequent follow up inspection after first follow up shall be billed \$298/hr during business hours and \$645 for a minimum of 2 hours, during nonbusiness hours upon availability.\*\*\***

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **2/25/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
