Overall Comments:

- On-site for follow-up inspection after facility earned a conditional pass during a routine inspection on 02/05/2025.

- Facility has corrected the following:

- K05M - Adequate handwash facilities supplied:

- At time of follow-up hand wash stations observed with warm water, hand soap, and napkins.

* Provide single-use paper towels.

- K07M - Proper hot and cold holding temperatures:

- PHF items measured within required temperatures. See measured observations.

- Facility has earned a green "pass" placard.

- Continue to address all other violations noted on previous inspection report.

* Note:

- Discussed with owner of facility molluscan shellfish life-support system.

- At time of follow-up inspection, live shellfish observed only stored inside the walk-in refrigerator.

- Per owner, holding tank will only be used to hold fish. All shellfish will be held in separated and protected containers/bins inside the walk-in refrigerator.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than 2/24/2025. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
