Overall Comments:

On-site to conduct a follow-up to the limited inspection and facility closure (dated 9/22/2026).

Confirmed facility has completed the following steps for re-opening:

- 1. Checklist for re-opening was received.*
- 2. Reports from a licensed pest control company, 360 Pest Management, was received. Facility received treatment for cockroaches on 9/23 and reported no live activity at the time of inspection.*
- 3. All sanitation and food safety items on worksheet have been verified as completed. Verified facility has conducted a thorough cleaning of the floors and equipment during inspection.*
- 4. All prevention measures on worksheet and on pest control report have been completed, including sealing gaps between the brackets of the shelving and the wall.*
- 5. Confirmed this facility will continue to receive monthly pest control services from 360 Pest Management.*

Confirmed all refrigeration units have been serviced and are maintaining at or below 41F. No foods stored or prepared in units at the time of inspection.

The facility is hereby authorized to operate by this department. Continue to address remaining violations as cited on the routine inspection report.

**** Due to evidence of repeated violations, permit owner shall be called in to attend a scheduled Office Hearing. The owner is responsible for enforcement fees associated with the office hearing and all penalties associated with violations. Specialist to follow up with permit owner with more information. Continued violations will result in further enforcement action in the form of administrative fines and/or permit suspension.*

FACILITY RE-OPENED / PERMIT REINSTATED

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **10/7/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
