Comments and Observations

Major Violations

No major violations were observed during this inspection.

Minor Violations

K23 - 3 Points - Observed rodents, insects, birds, or animals; 114259.1, 114259.4, 114259.5

Inspector Observations: Observed rodent droppings on the non food storage shelf in the back room. Dropping also observed on a glass that was for sale. According to the owner they must be old since there has not been an issue for 6 months and has an active pest control service. He will email the pest control report to me. [CA] Take effective measures to eliminate any rodent from inside the facility. Clean and sanitize the shelves. The owner is throwing away the glass cup that the dropping was on. Reinspection will be completed for correction and pest control invoice.

Overall Comments:

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **9/11/2025**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
