Comments and Observations

Major Violations

K07 - 8 Points - Improper hot and cold holding temperatures; 11387.1, 113996, 113998, 114037, 114343(a)

Inspector Observations:

Multiple items measured above freezing temperature and also in the temperature danger zone in the 19 door freezer. Per PIC, the foods will be discarded when adequate dumpster space is available.

[Corrective Action] Frozen foods should be maintained frozen solid.

[Suitable Alternative] Foods in the freezer will be discarded.

Minor Violations

No minor violations were observed during this inspection.

Overall Comments:

A limited inspection was conducted in conjunction with a complaint investigation.

The freezer is not working properly at the moment. Management will not store any new product into the freezer unit and will discard any leftover product in the unit as soon as there is adequate dumpster storage space.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **11/11/2024**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
