Overall Comments:

Follow up inspection conducted for routine inspection conducted on 5/27/25.

No observation of any rodent activity in the facility. No rodent droppings observed.

Owner mentioned few open holes were detected and sealed off to prevent rodent entry.

Pest control report from Banner Pest Services from 5/28 at 8:30 AM was provided.

Completed checklist for closure due to vermin infestation was emailed to district specialist by the owner.

Observed facility cleaned and organized. Observed extra unused items removed from the facility. Some grease still observed at cookline area, on pipes under prep sink and warewash sink. Continue to clean the areas.

Some construction tools still observed in facility cookline drawers. Remove these items from the cookline/food prep area.

Paper towels restocked at kitchen and restroom hand wash sinks.

Red placard looks like was it removed and placed in a different location. The photo that was taken on 5/27 of red placard shows that it was moved slightly. Owner said it may have been the cleaning company who took out it out and placed it back because they washed the floor, walls and windows. He mentioned he will ask the cleaning company and notify the district specialist.

Per owner, they did not operate and facility remained closed at all times.

Owner will be notified if there are further actions that may be taken.

Facility is ok to reopen.

FACILITY RE-OPENED / PERMIT REINSTATED

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **6/11/2025**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
