1. The 2 induction cookers are conditionally approved without an exhaust hood system for the heating of precooked food items only. If there is a future change in menu or operation, or the use of this equipment causes any sanitation, ventilation or safety problem, the exhaust hood exemption may be revoked and an approved mechanical exhaust system must be installed, or the unit removed. Ventllation problems include, but are not limited to, excess heat in the facility that results in uncomfortable work conditions for employees.

2. Any food stored in the dry storage room must be prepackaged.

***Obtain food safety manager certificate within 60 days. All other food employees must have valid food handler cards within 30 days from hire date.**

Joint inspection with Travis Ketchu

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **8/30/2022**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
