Overall Comments:

Facility closure due to major vermin violation.

Upon follow up inspection:

Operator had provided pest control contract. Per contract 4 weekly services shall be conducted in August prior to returning to monthly service. Recommend continuing increase service frequency if vermin activity still observed.

Operator provided pest control stating vermin have been eliminated and check list.

No rodent droppings observed at time of inspection. Per operator utensils and dishes in dry storage room and in side walk in freezer area affected were washed and sanitized.

No live cockroaches observed at time of inspection and traps observed to be empty at time of inspection.

Floors and walls observed to have debris accumulation removed. Shelves by 3-comp sink observed to still have grease and dust accumulation. Cardboard observed to have been removed as a liner material for shelves and tables.

Cove basing and walls observed to be sealed to prevent harbourage of vermin. Some tiles underneath 3-comp sink still observed to be cracked and holding standing water. Repair tiles.

Food in dry storage room observed to be fully covered and stored at least 6 inches off of floor for easier cleaning.

Facility shall continue to regularly clean and ensure floors and walls do not have debris accumulation and clean shelves.

Facility is reopened at this time. Continue working on violations from routine inspection from June 2025 and continue regularly monitoring for signs of new vermin activity.

FACILITY RE-OPENED / PERMIT REINSTATED

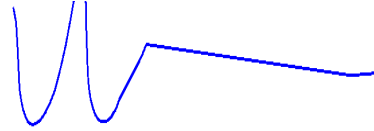

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **8/13/2025**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
