Overall Comments:

Observed packaged kulfi in the self-service freezer and reach-in freezers. Per owner, kulfi is an Indian frozen dessert. Desert is made by combining heavy whipping cream and condensed milk and mixing by hand to form the base. Various things are added to the base to create different flavors (such as canned mango, rose syrup, or saffron). A permit with the California Department of Food & Agriculture may be required for production of kulfi.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **4/24/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
