Overall Comments:

This is the first follow up for the routine inspection where the facility was closed for an active cockroach infestation.

Observations:

- The facility was serviced for cockroaches and other vermin by Ecoguard Pest Management with service completed at 11:09 am.
- Observed several holes in the kitchen area were sealed off. Continue to seal and close off other openings.

K23: Observed 1x live adult cockroach on a glue trap, 1x live nymph coming out of tile near the ice machine, and 1x dead adult near the steam table.

Facility shall remain closed until the vermin are abated.

Contact inspector at (408) 918 - 2726 to schedule follow up inspection. The first follow up inspection is free of charge. Any and all subsequent follow up inspections shall be charged at the approved hourly rate of \$298.00/hr, minimum of one hour, during normal business hours: Monday through Friday 7:30am to 4:30pm or \$645/hour minimum two hour during non business hours, and upon inspector availability.

CLOSURE / PERMIT SUSPENSION NOTICE

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **2/26/2025**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.

This notice is to inform you that as of this date the Environmental Health Permit for the above mentioned food facility is hereby suspended and all operations therewith are ordered to cease. This action is taken in accordance with Section 114409 of the California Health and Safety Code which states 'If any imminent health hazard is found, unless the hazard is immediately corrected, an enforcement officer may temporarily suspend the permit and order the food facility or cottage food operation immediately closed.'

You have the right to make a written request for a hearing within 15 days after receipt of this notice to show just cause why the permit suspension is not warranted. Failure to request such a hearing within the 15-day period shall be deemed a waiver of the right to a hearing. After these violations have been corrected, you must call the Department of Environmental Health for a reinspection to reinstate the permit to operate. Phone #: (408)918-3400.
