Overall Comments:

- On-site for a follow-up inspection after facility earned a conditional pass during a routine inspection on 11/6/2025.

- Facility has corrected the following:

- K07M - Improper hot and cold holding temperatures:

- At time of follow-up inspection, PHF items measured at 41F and below.

- See measured observations.

- K15M - Food not obtained from approved sources:

- All unapproved food sources have been removed from the facility.

* Note: Facility is prohibited from conducted any type of cooking within the facility. All food served to customers must be from approved sources and shall only be reheated in a commercial microwave. All food shall be pre-cut, pre-washed, and ready-to-eat. Maintain receipts and/or invoices for food purchased to be served to customers.

- At time of follow-up, an updated menu was provided to this Division.

* Note:

- Owner may be summoned for an administrative hearing if health code violations outlined in the office hearing summary letter are observed in the next routine inspection.

- Additional enforcement actions, including but not limited to, additional closure(s), fee(s), and/or revocation of permit may apply.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **11/27/2025**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
