Overall Comments:

Follow-up for routine inspection conducted on 7/9/25.

Verified that major violations are still in compliance:

- Handwash sinks are operable with water, soap, and single-use paper towels.
- Food contact surfaces/equipment are cleaned and sanitized.
- Hot water is available at the three compartment sink and measured at 120F.

The following items were also observed at time of inspection:

- Did not observed signs of vermin at time of inspection. Reviewed pest control service report dated 7/11/25 that marked treatment was done but no additional details.
- Unapproved propane cook top was removed from the cook line and propane tanks removed from facility. The cook top was placed in the storage room. Per operator, the cook top is used at temporary events or catering.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **8/6/2025**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
