**Overall Comments:**

*A follow-up inspection was conducted on this date as requested by Father Chanh Nguyen to verify the correction of the major violations observed during the 5/12/26 routine inspection.*

*On this date:*

- No further evidence of rodent activity was observed at this time
- The checklist for reopening after closure due to vermin infestation was received at this time
- Service report from Orkin Pest Control was reviewed at this time conducted on 5/13/26. Report indicates no further evidence of rodent activity observed
- All affected areas have been cleaned and sanitized per the PIC
- An ice cream maker discovered to be an additional harborage point and the two door reach in cooler previously across from the cooks line were removed from the facility to prevent the additional harborage of vermin
- Orkin indicates additional follow up will be conducted on 5/15/26 to monitor for additional activity after removal of harborage areas

*Facility okay to operate*

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than 5/27/2026. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
