Overall Comments:

A site visit was conducted to verify cockroach infestation at the facility.

Inspector Observation

-Live cockroaches were observed behind the grill on the cove base tile. No other cockroaches observed in the facility. Facility has pest control service once a month. Recommended store manager to get pest control service twice a month since facility had cockroach issues before.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **11/8/2024**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
