Overall Comments:

Follow-up inspection for closure due to cockroach activity.

The following violations have been corrected:

K23M - Cockroach activity

- At the milkshake machine, no cockroach activity observed in the area.
- Observed cockroach debris on the door frame around the milkshake machine. Continue to clean and sanitize any areas with activity.
- Observed cracks and crevices apparent around and underneath the counter-tops by the milkshake machine.
- No cockroach activity observed throughout the rest of the facility.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **9/6/2022**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
