[CA] The premises of each food facility shall be kept free of vermin. A food facility shall not operate when there is a vermin infestation that has resulted in the contamination of food contact surfaces, food packaging, utensils, food equipment, or adulteration of food(s). The food facility shall cease operation of the food facility immediately. The food facility shall remain closed until: there is no longer evidence of a vermin infestation; all contaminated surfaces have been cleaned and sanitized; and contributing factors such as cleaning, repairs, and the elimination of harborages have been resolved.

Limited inspection conducted along with complaint investigation.

Manager Gilmer is aware of the vermin issue. He stated on Thursday 4/17/25, a rat came from the back side door when it was open for 2 hours for delivery.

Pest control report from ECOLAB dated 4/22/25 was provided.

The report mentions to seal open gaps and holes or add weather stripping. The report also mentions to replace missing sealing tiles above aisle 3 with food products.

Per manager, ECOLAB also came in on 4/23/25 to place traps under the aisles and around the facility.

CEASE AND DESIST ALL OPERATIONS

Facility is hereby closed due to active rodent infestation.

Facility shall comply with all the action items listed on the pest control report. Clean and sanitize all areas with rodent droppings and dead rodent. Discard any food that is contaminated or adulterated due to vermin.

Provide a report from pest control service indicating all the action items are corrected and facility has taken necessary measures to prevent vermin entry.

Contact district specialist Sukhreet Kaur at (408) 918-3460 or main line at (408) 918-3400 to schedule reopening.

Subsequent follow-up inspection after first follow-up shall be billed \$298/hour, minimum one hour, during normal business hours (Monday - Friday, 7:30 AM to 4:30 PM), and \$645/hour, minimum two hours, during non-business hours, and upon inspector availability.

- The posted placard is property of the Santa Clara County Department of Environmental Health and shall not be removed, covered-up, relocated, tampered, or copied. Failure to comply may result in enforcement actions per County Ordinance Code Section B11-55.

CLOSURE / PERMIT SUSPENSION NOTICE

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **5/8/2025**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.

This notice is to inform you that as of this date the Environmental Health Permit for the above mentioned food facility is hereby suspended and all operations therewith are ordered to cease. This action is taken in accordance with Section 114409 of the California Health and Safety Code which states 'If any imminent health hazard is found, unless the hazard is immediately corrected, an enforcement officer may temporarily suspend the permit and order the food facility or cottage food operation immediately closed.'

You have the right to make a written request for a hearing within 15 days after receipt of this notice to show just cause why the permit suspension is not warranted. Failure to request such a hearing within the 15-day period shall be deemed a waiver of the right to a hearing. After these violations have been corrected, you must call the Department of Environmental Health for a reinspection to reinstate the permit to operate. Phone #: (408)918-3400.
