Overall Comments:

Talking to PIC with regards to facility upgrading equipment on site.

- A person proposing to build or remodel a food facility shall submit plans and specifications for review and shall receive plan approval prior to starting any new construction or remodeling. Contact DEH at 408-918-3400 or at www.ehinfo.org to obtain plan check requirements.

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **3/26/2026**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
