Overall Comments:

On site to verify that all major violations mentioned on 4/2/24 inspection report have been addressed. All major violations have been addressed and found within compliance:

- K21: Hot and cold water available. Hot water within the facility has been restored. See measured observations.

NOTE

- A new water heater has been installed into the facility. Water heater information:

- Total BTU- 55,000 (per original plans a 38,000 BTU water heater was on site).

- WATTS- GAS □

-Capacity- 48-Gal

- Contacted senior inspector (Kane B.) with regards to hot water heater information.

Facility has restored hot water to the facility. Ok to re-open and operate.

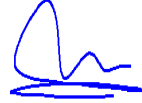

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than **4/18/2024**. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
