Overall Comments:

Follow up inspection for facility closure due to cockroach infestation.

Observations:

K23: One dying cockroach was found near the service area. Staff immediately eliminated the cockroach. One dead cockroach was observed on the floor under the soda machine on the employee side. Vermin proofing measures were observed such as sealing wall gaps in the back of house area. Continue to vermin proof the facility. Facility was serviced by Terminix at 7:21 am 01/15/2025. Per service record they performed a crack and crevice treatment.

Note: A contractor arrived on site to repair the gooseneck faucet and address other structural concerns (FRP, tiles, vermin proofing).

Facility is okay to operate. A follow up inspection may be conducted to determine compliance. The first follow up inspection is free of charge. Any and all subsequent follow up inspections shall be charged at the approved hourly rate of \$298.00/hr, minimum of one hour, during normal business hours: Monday through Friday 7:30am to 4:30pm or \$645/hour minimum two hour during non business hours, and upon inspector availability.

FACILITY RE-OPENED / PERMIT REINSTATED

When required to determine compliance, a single reinspection will be conducted without additional charge. If subsequent reinspections are required, an hourly fee (minimum one hour) at the current rate approved by the Board of Supervisors will be assessed for each and every reinspection until the necessary changes or corrections are made. Unless otherwise noted by the inspector, all violations are to be corrected no later than 1/29/2025. Any major change in menu or any change in ownership must have prior approval by this Department. This may require structural and/or equipment changes or remodeling to accommodate new operations.
